This little packet contains a few things:

- ◆ Here is a link to the entry about this “pattern” -[My Blue Mountains](#)
- ◆ This is not a pattern, per se, but guidance. I made templates for freezer paper, and a sheet that tells where they go.
- ◆ The blocks finish at 2.5” x 5”

Included pages:

Templates for foundation paper pieced Half Rectangle units A & B
Templates for foundation pieced Pinnacles A & B
A guide to where these pieces are placed

Be sure to print 8.5” x 11” at 100%. I printed onto freezer paper sheets and reused them.

Your colors may be different than mine but I think this will get quilters most of the information that they need. Please email me at kathleen@kathleenmcmusing.com if you have questions with this.
